

BIG CREEK TOWNSHIP
SPECIAL MEETING
September 21, 2021
BIG CREEK TOWNSHIP HALL

Call Special meeting to Order at 7:00 p.m.

PRESENT: Booth, Avery, Coulon, Stone, Mundt

ABSENT: None

Lengthy discussion on current blight ordinance, previous blight ordinance, and what should be in a new revised ordinance.

Since we don't know what the court needs to see in the ordinance in order to enforce it, the consensus of opinion was to request our attorney review our past ordinances and draft an acceptable ordinance to bring to the board, and also to provide an estimate of the cost to draft the ordinance.

Blight Officer can continue to send letters, but not write any tickets until the ordinance is revised.

Discussion on having a complaint driven ordinance, or one where the blight officer identifies the blighted properties. No decision made.

Meeting adjourned at 9:00 p.m.

Rhonda Mundt

Twp. Clerk
